What is a Feis?

A Feis is a sanctioned Irish dance competition divided by age and level of expertise. Dancers are scored based on technique, style and other items such as timing, rhythm, and sounds in their hard shoe dances.

The Windsor Feis Association operates as a non-profit group with the mission to promote Irish dancing as a form of tradition and culture and amateur athletics in Canada and the US and to provide an environment that will enhance self esteem as well as social development. Since 1995, Windsor has been proud to host one of the largest and most prestigious Irish Dance Competitions in Southern Ontario. In addition to local and regional competitors, this event attracts participants from across Canada and the United States.
